GROUP DISCUSSION QUESTIONS

- Read John 16:8-11. Why would someone be resistant to the Holy Spirit's conviction?
- Why is the Holy Spirit's work so important in our gatherings, or through individuals who interact with unbelievers?
- Read 2 Timothy 3:16-17. What role did the Holy Spirit play in scriptures being written?

What role does the Holy Spirit play in reading scripture?

APPLICATION

- God wants us to individually share the Good News about Jesus. What role does Holy Spirit conviction play in those interactions?
- One estimate claims that the average Christian has the Gospel presented to them an average of 15 times before they accept salvation. This doesn't mean the first 14 times failed and only the last succeeded. Each time plays a part. One planted, one watered, and yet another reaped. The constant factor is the Holy Spirit. He uses all of these parts to bring the lost to Jesus. We can trust the Spirit to be at work as we're obedient to share Jesus.
